Hygrometer 2

Hygrometer

Electrode Socket

Model: 9845

Grooved Roller Electrode

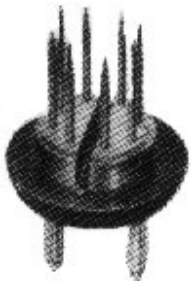

Model: 9869

Only in connection with special cable 9846 and universal electrode socket 9845.

Measuring cable

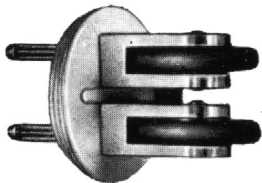

Model: 9846

Point Electrode

Model: 9841

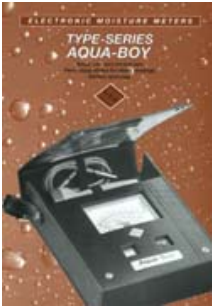

Only in connection with special cable 9846 and universal electrode socket 9845.

Roller Electrode

Model: 9868

Only in connection with special cable 9846 and universal electrode socket 9845.

Textile Hygrometer

Model: 9840

Technical datas:

- Deviation of moisture indication ± 0.2 % Electrical
- deviation ± 0.1 % relating to absolute dial value.
- Dimensions: approx. 170 x 115 x 50 mm
- Weight: approx. 400 g.
